WATERWAY CHLORINATORS

Part No.	Description	Color	Price
CCF012-W	Off-line 12 Tablet Feeder	White	160.00
CLC012-W	In-line 12 Tablet Feeder- 2" Socket	White	150.00
CLBA012-W	In-line 1 1/2" FPT with bracket for Clearwater filter system	White	160.00
550-6700	Bracket with screws for In-line chlorinator	Black	20.00

Clearwater automatic chlorinators provide safe and reliable pool sanitation. Clearwater's durable flow valve for regulating chlorine or bromine flow has been improved to better adjust for more accurate settings. The dial has been moved to make viewing easier and the external hose has been eliminated on the in-line model.

Off-Line

OFF-LINE FEATURES

- 2 barbed fittings to simplify hook-up to above ground pool installations.
- 2 hose clamps for plumbing in-ground pools or hard plumbed pools.
- Optional accessory pad for use with ClearWater pumps and filters.
- A check valve to prevent backflow of water into chlorinator.

IN-LINE FEATURES

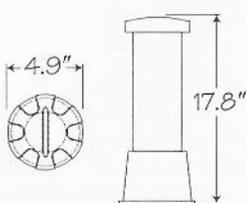

- 2" socket x 2 1/2" spigot (1 1/2" socket reducers included).
- A check valve to prevent backflow of water into chlorinator.
- Internal chamber designed for improved performance.

* Also available in white.

CHEMICAL TANKS

Rola-Chem offers a range of heavy duty tanks and covers available in 5, 15, 30, and 55 gallon sizes. They are precision molded of high density polyethylene polymer which is highly resistant to corrosive solutions. For your Convenience, tanks and lids are sold separately.

Features:

- Translucent - allows visual check of chemical level
- Heavy Duty Construction - longer lasting
- UV Protected - solar rays will not damage chemicals
