DuraNiche™

DuraNiche niches are injection-molded of PVC for superior performance, non-corrosive durability and plumbing versatility - plus the lowest installed cost. They come in three models for concrete/gunite pools, vinyl/fiberglass pools, or for concrete/gunite spas. When paired with a Hayward® ColorLogic®, AstroLite or AstroLite II light fixture, you have the best quality and value in a lighting system available anywhere.

- Injection molded PVC fixture housing for corrosion free performance
- Socket conduit connection designed for quick and simple gluing to PVC pipe. Provides a clean, reliable seal
- U.L. approved sweep elbow fitting, coupling and reducer, included in SP0600U, SP0607U, SP0608U and SP0601U, meet the highest standard and provide the most convenient installation
- All SP0600U, SP0607U and SP0608U niches have a 45 degree 1in outlet, which can be adjusted for top or rear conduit connection using the 45 degree U.L. approved sweep elbow (included). The SP0601U niche has a 1in rear outlet which can be adjusted to 45 degrees
